## PROFILE INFO

Highly skilled **web designer** with **2 years** of experience in creating visually engaging, **responsive**, and **user-friendly** websites. Proficient in **HTML, CSS, JavaScript, Bootstrap**, and **Photoshop**. I have **done numerous projects**. I am seeking to leverage my **problem-solving** abilities, **time management**, and design expertise to **contribute** to a dynamic team.

## EXPERIENCE

### Web & Graphic Designer

**Desun Technology Pvt. Ltd.** | March 2023 - August 2024

- Developed and maintained responsive websites using HTML, CSS, JavaScript, and Bootstrap.
- Collaborated with clients to understand their brand identity and design preferences.
- Implemented design solutions that enhanced user experience and engagement.
- Successfully led a redesign project that resulted in a 30% increase in user engagement.

### Freelance Web Designer

**Self-employed** | October 2022 - March 2023

- Designed and developed custom websites for clients, ensuring cross-browser compatibility and responsiveness.
- Worked closely with clients to implement design revisions and updates.
- Establish transparent pricing structures and project timelines, providing clients with accurate quotes and realistic expectations to foster trust and satisfaction.
